The Amildar, Krishnarajpete Taluk.

No. 1680-5—L. B. 34-13-6, DATED BANGALORE, 7TH AUGUST 1913.

ORDER THEREON.—Recorded.

2. It is satisfactory to note that the number of cattle collected at the show was nearly 25,000, being one and a half times the number for the previous year and that all the best Mysore breeds were represented.

3. A novel feature this year was the inauguration of a pony show which is reported to have evoked much interest.

4. Government are pleased to record their appreciation of the good work done by the non-official and official gentlemen who helped to make the fair a thorough success.

5. Government hope that the needful action regarding the improvement of the road from Krishnarajpete to Hemagiri and the extension of the musafirkhana at the latter place will be taken sufficiently early to be of use to the people attending the next jatra and trust that it would be desirable to give wide publicity of the holding of such shows in time to attract the best cattle in the adjoining British Districts also for competing with the Mysore cattle.

6. The photographs of the prize winners are awaited.
